Wespath

We look forward to seeing you in West Palm Beach!

Church leaders continue to navigate the growing complexity of managing financial priorities while staying focused on mission. With more than a century of experience serving faith-based communities, Wespath supports organizations through an integrated approach to investments, retirement and health benefits,

helping them navigate challenges with greater confidence and stability.

As you enjoy The Church Network Conference, Wespath is here to connect with leaders like you who are working to support and strengthen their faith-based organizations.

While you're at the conference, we invite you to stop by and meet our team.

Join our workshop—Karen Manczko, Director of Institutional Relationships, will lead our workshop, *Developing an Investment Strategy for Your Church*, on Thursday, July 16, from 2:00–2:50 p.m.

Stop by our booth—Meet Karen and Evan Witkowski, Director of Institutional Relationships, to discuss your organization's investment priorities at Booth 612.

We welcome the opportunity to learn more about your organization and share how Wespath supports organizations like yours.
